

WORLD TRADITIONAL KARATE-DO FEDERATION

To all WTKF National Federations,

Dear members,

I would like to inform due of the Covid worldwide our international activities were canceled since 2020.

Our 2020 World Championship in Brazil was cancelled and other activities as well. I am in constantly contact with our executive board to make solution in this matter for the benefit of all of you.

You need to be active specially in our own country, motivate people to continue their practice and, we know, you are doing your best to solve this situation.

We are really proud for the effort that each National Federation is doing; please if you have any information for 2022 in reference of your activities do not hesitate to contact me.

Brazil is ready to set the next World Championship 2022, always will depend of the health international situation.

Be safe, keep always your strong hope and spirit.

Best regards.
