THE ULTIMATE FISHING EXPERIENCE

PHOENIX ONE

Welcome aboard Phoenix One, a 35-metre Benetti-designed luxury superyacht, offering world-class charter experiences throughout Australia's picturesque coast.

Phoenix One is the perfect base for a luxury Mothership experience.

Enjoy a day of targeting Australia's Giant Black Marlin in the home of the Grander, then retreat each evening to your own floating hotel. Sit down to a 5 star meal from our onboard chef, unwind in the air conditioned lounge, or head up top to the cocktail bar and heated jacuzzi to celebrate the day's catch under the stars. Four spacious, truly comfortable staterooms mean you sleep just as well as you fish.

This is sport fishing without compromise. Fish hard by day, then unwind on board with a cold drink, a hot shower and a bed that actually lets you recover, all while anchored in some of the most remote and beautiful fishing grounds on earth. No sleeping on bunk beds in roly anchorages, no transiting back to port between sessions. Phoenix One stays on the water so you can stay on the fish.

Guests who don't fish? No problem. Let us host them on board for the day, where they can dive, snorkel, explore the reef or simply relax on deck, while you're out chasing the Giants. Everyone comes back together each evening to swap stories over dinner, whether that's a Grander tale or a day well spent on the water.
