Moravanka – Dobrá hostina

„Cooking is not only job for me, but above all a passion, that I try to pass on to every dish, that leaves our kitchen. I like to combine traditional Czech recipes with modern gastronomic trends.

We prepare each plate with an emphasis on the quality of ingredients, details and above all to make the experience pleasant as possible for you.

Together with my great team, we believe that good food can not only fill you up, but also create beautiful moments and memories.“
