<b>Art &amp; Photography</b>	<p>Coursework is used to continually to assess students from year 9-10 in both art and photography.</p> <p>All work submitted in class and at home contributes to their final assessed grades in year 11.</p> <p>During year 11 an exam takes place over a series of weeks. (this exam feels like a coursework project) we run a mock project at the start of the year 11 so students understand the process. The mock project also is submitted as part of their final coursework grade.</p> <p>Both art and photography GCSE are 60% coursework and 40 % exam.</p>	<p><u><a href="https://www.aqa.org.uk">GCSE Art and Design Specification for first teaching in 2016 (aqa.org.uk)</a></u></p>
