<b>Art &amp; Photography</b>	Lessons will proceed normally as student build on their portfolios across three years. Contributing to their final GCSE grade.	<p>Coursework is used to continually to assess students from year 9-10 in both art and photography. All work submitted in class and at home contributes to their final assessed grades in year 11.</p> <p>During year 11 an exam takes place over a series of weeks. (this exam feels like a coursework project) we run a mock project at the start of the year 11 so students understand the process. The mock project also is submitted as part of their final coursework grade. Both art and photography GCSE are 60% coursework and 40 % exam.</p>
