WE LEARN THIS BECAUSE: In year 7 students learn 4 languages on a language carousel. Each language is taught for 10 weeks. Students learn Chinese, French, German & Spanish. Students will gain a good foundation in order to proceed on to either French, German or Spanish in year 8 and will carry on that language to year 11. (Some students will study Chinese on the MEP course and will learn this from year 7 – Please refer to the MEP info).
