

Minority-Owned

SBA-Certified SDVOSB & WOSB

Psychiatrist-Advised

45+ Years Combined Experience

Executive Summary

Mission-Minded Solutions LLC delivers psychiatrist-advised behavioral health workforce solutions, telebehavioral health services, and technology-enabled support for government and public-sector partners. Veteran-owned and led, Mission-Minded provides specialized psychiatric and addiction medicine workforce partnerships, behavioral health program implementation, and Veteran-focused engagement strategies designed to strengthen access to care, operational readiness, and outcomes. Supported by founding clinical partner Dr. Vishal Adma, a board-certified psychiatrist with 25+ years of psychiatric workforce and operational leadership experience, Mission-Minded combines clinical expertise, quality-focused operations, and collaborative technology partnerships to deliver responsive, mission-aligned solutions. Mission-Minded is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Women-Owned Small Business (WOSB).

CORE CAPABILITIES

Psychiatric & Behavioral Health Workforce Solutions

Providing psychiatric workforce partnerships including psychiatrists, PMHNPs, addiction medicine providers, psychiatric physician associates, and telebehavioral health support for healthcare systems and government agencies.

Government & Public-Sector Behavioral Health Support

Supporting government agencies and public-sector healthcare programs through behavioral health workforce partnerships, service member and Veteran-focused support initiatives, and operationally aligned behavioral health services.

Telebehavioral Health Support Models

Supporting telepsychiatry and telebehavioral health delivery through provider coordination, implementation support, and scalable virtual care strategies designed to strengthen access and continuity of care.

Technology-Enabled Behavioral Health Partnerships

Collaborating with behavioral health and public-sector technology partners to support scalable implementation strategies and innovative behavioral health solutions that strengthen access, readiness, and support for service members, Veterans, and public-sector populations.

DIFFERENTIATORS

► Veteran-Led Mission & Operations

Founded and led by Brandy Shireman, a two-time Operation Iraqi Freedom and service-disabled Veteran, Mission-Minded brings mission-focused leadership and operational discipline to behavioral health partnerships supporting Veterans, service members, and public-sector communities.

► Technology-Enabled Partnership Model

Mission-Minded collaborates with independent technology and research partners to support digital behavioral health solutions, AI/ML-enabled behavioral analytics, program implementation, and evaluation initiatives.

► Psychiatrist-Advised Leadership

Supported by founding clinical partner Dr. Vishal Adma, M.D., a board-certified psychiatrist with 25+ years of psychiatric and healthcare operational experience and 10+ years as an international Joint Commission surveyor, bringing expertise in healthcare quality and accreditation standards.

► Scalable Behavioral Health Workforce Solutions

Mission-Minded provides flexible psychiatric workforce partnerships, telebehavioral health coordination, and scalable delivery models designed to strengthen continuity of care across diverse healthcare environments.

PAST PERFORMANCE

Mission-Minded's leadership brings over 35 years of combined behavioral health, psychiatric workforce, healthcare operations, and government contracting experience. Leadership experience includes:

- Commercial behavioral health workforce partnerships
- Telebehavioral health support models
- Addiction recovery services
- Public-sector healthcare operations supporting diverse clinical environments
