

## FOR IMMEDIATE RELEASE

### **Selected Among 400 Global Speakers: Dr. Celina Peerman to Speak at Global Speakers Summit 2026**

**Waverly, Iowa — March 1, 2026** — Dr. Celina Peerman, organizational psychologist, leadership strategist, and founder of The Peerman Group has been selected as a featured speaker and author for the **Global Speakers Summit 2026** ([www.gss2026.com](http://www.gss2026.com)), an international gathering of professional speakers and thought leaders from around the world, with member associations of the Global Speakers Federation.

Dr. Peerman was chosen from a highly competitive pool of more than 400 global speakers representing 23 countries, underscoring her growing impact and recognition on a global stage.

At the summit, she will deliver a session called “DNA of a Keynote” in collaboration with colleagues as they break down critical aspects of delivering effective messages. She will also be recognized as a featured author, showcasing her body of work from “Beautifully Over It.”

“This opportunity is both an honor and a responsibility,” said Dr. Peerman. “Leaders everywhere are navigating constant change. The ability to stay grounded in purpose, adapt in real time, and help others move forward with clarity is what defines effective leadership today. This conference for speakers helps me make sure I’m as effective as I can be.”

With more than 30 years of experience, Dr. Peerman is known for her engaging, research-informed, and highly practical approach to leadership development. Her work supports organizations in building leadership capacity, strengthening workplace culture, and preparing for the future of work.

Her selection as both a speaker and featured author reflects not only her expertise, but also the relevance of her message in a world where uncertainty has become the norm.

The **Global Speakers Summit 2026** will bring together top speakers, authors, and industry experts to share insights, elevate the speaking profession, and foster global collaboration.
