SKILLS TERM SHOWINGS

We may have missed our Spring Term newsletter (whoops!), but there was no way we could miss the chance to celebrate our fantastic Skills Term! 🌟

It was a brilliant term of trying new things, stepping outside comfort zones and, most importantly, having lots of fun along the way. Our Minis brought plenty of imagination and energy to the stage with their fantastic Toy Story-themed performance, while our Wednesday Seniors got stuck into the exciting world of stage combat and devising. Our Thursday Juniors explored ensemble singing and devising, working together to create and perform a piece completely of their own. Our Sunday Juniors worked hard on articulation, timing and attention to detail, putting all of these skills into practice in a wonderful performance of Supercalifragilisticexpialidocious. And finally, our Sunday Seniors took on the challenge of a song cycle, with every student stepping into the spotlight to perform their very own solo.

From stage combat to solo singing, devising to ensemble work, it was a term packed full of new challenges and achievements. We have loved watching our students grow in confidence, discover new skills and throw themselves into every opportunity. We couldn't be prouder of everything they have achieved!

THIS TERM...

It may only be September, but around here it is never too early for Christmas! With our Christmas showings just around the corner, we're already getting stuck into rehearsals.

Our Minis will be jumping aboard The Polar Express, while our Thursday Juniors and Sunday Juniors will be getting their Grinch on! Our Wednesday and Sunday Seniors will be taking on our very own Scrooge Panto, and our Sunday Inters will be bringing the Christmas spirit with the Nativity.

We can't wait to see these performances come together and share all their hard work with families at our Christmas showings!

OUR SUMMER SHOW!

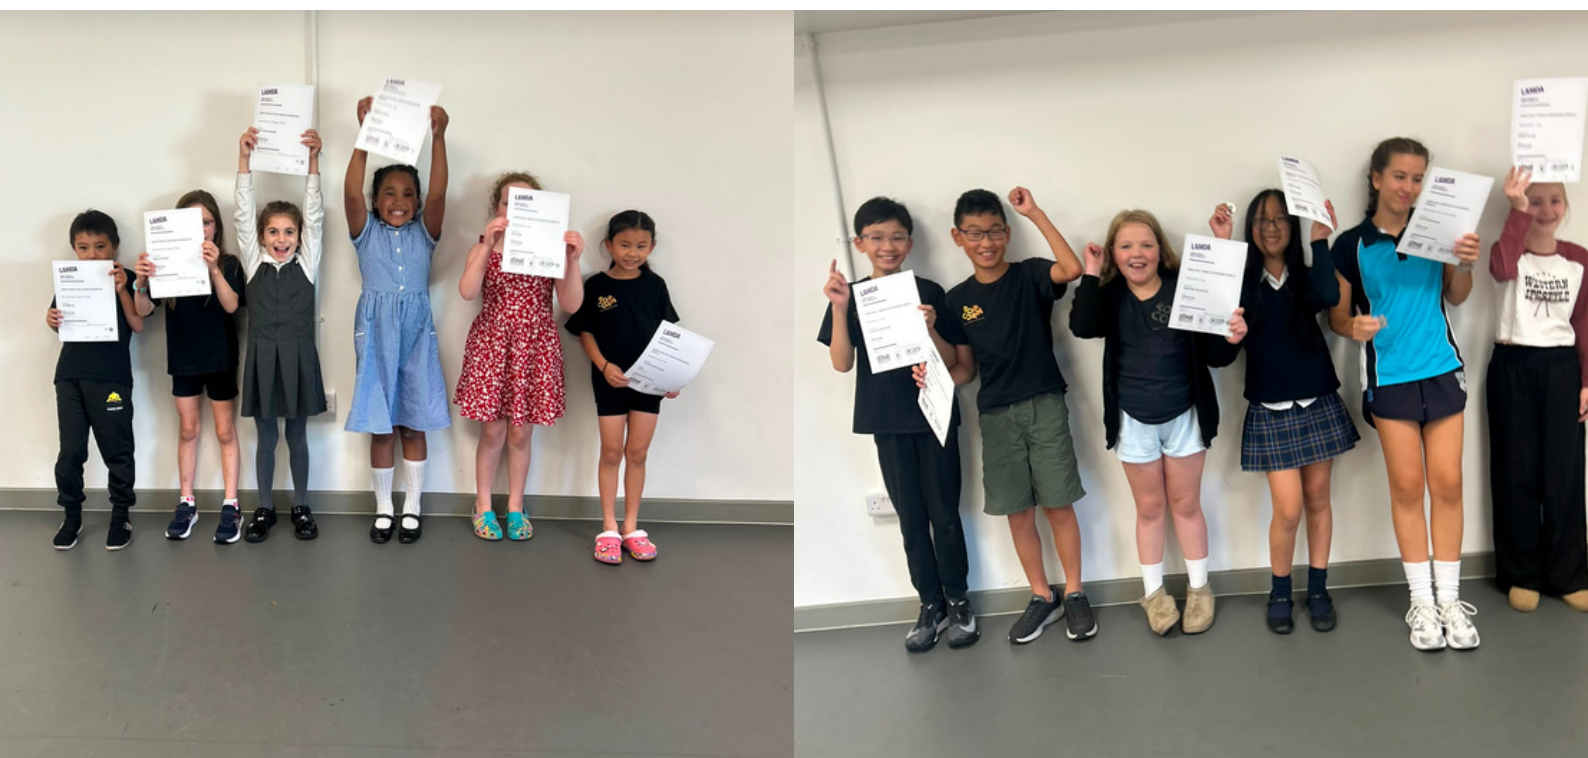

For the first time ever, we split our Summer Show into two spectacular school shows – Minis Movie Night and The Cinema Experience – and WOW, what a success!

Our Minis took us on a magical movie adventure through Tangled, Paddington, The Little Mermaid and Moana, while our Juniors, Seniors and private students brought the big screen to life with The Muppets, Wonka, Matilda, Beetlejuice and Snow White. It was our biggest and best show yet, and we couldn't be prouder of every single performer who took to the stage. From start to finish, it was an incredible celebration of everything our students have achieved, and we're already missing it!

But don't worry... we're not waiting around for the next one! Planning for next summer's show has already begun, so keep your eyes peeled for the announcement coming VERY soon. We can't wait!

We also have a very special achievement to celebrate! Last term, all of our students took their LAMDA exams, and every single one achieved an incredible result. We could not be prouder of the hard work, dedication and confidence they showed throughout their preparation and exams. They should all be incredibly proud of themselves and everything they have achieved. A huge thank you to their wonderful teachers, Jess and Charlotte, for all of their support, encouragement and hard work in helping our students shine!

WHATS BEEN GOING ON?

Over the summer, we brought back our amazing Make Your Own Musical workshop, and this year we stepped into the world of After Hours! The children explored what happens inside a museum once the doors close and the visitors go home – and what an adventure it was! It was a fabulous week packed full of creativity, imagination, acting, singing, dancing and lots of fun. Everyone worked so hard, brought their characters to life and did an incredible job creating a brilliant show to share with our audience. We were so proud of them all and can't wait to see what magical story we create next year!

NEW TEACHERS!

We are so excited to welcome two new teachers to the team this term — Phoebe and Jasmine!

Phoebe will be joining us to teach LAMDA alongside our Principal, Emma. Jasmine will be taking on our Wednesday Junior class!

We are so pleased to have both Phoebe and Jasmine joining the team and can't wait for our students to get to know them. Welcome to the team!

COMING UP... HALF TERM WORKSHOPS!

10/10 experience, I couldn't be happier. [my child] had a wonderful time and came out buzzing. Staff were friendly and professional and all information leading up to the day was very clear. Thank you all!

[My child] absolutely loves your workshops and always comes home buzzing about the day she has had. There is a great mix of performance, craft and fun which keeps them interested all day. I'm so impressed how much you manage to teach them in a day and look forward to seeing what they have learned at the end of the day. Thanks for all the energy and enthusiasm you put into making their holiday so much fun!
