

ALL SAINTS ROMAN CATHOLIC CHURCH ENDOWMENT DRIVE APRIL 25 - MAY 24

WHAT IS AN ENDOWMENT?

An endowment is a source of perpetual revenue for our parish, that seeks to ensure the mission of All Saints Roman Catholic Church lasts until the end of time. The endowment will continue to grow while a portion of the earnings are distributed each year to meet operational and infrastructure needs. This income will provide a sustainable source of revenue for our parish and the generations to come.

WHAT DOES AN ENDOWMENT SUPPORT?

Endowment proceeds may be used to ensure that All Saints Roman Catholic Church remains a place where all people encounter the Holy Spirit, even through times of uncertainty and changing needs; by providing funding for unexpected capital expenditures; and by decreasing the fundraising burden on our community annually.

BENEFITS OF AN ENDOWMENT

- Immediate Tax Deduction
- Protection from Creditors and Litigators
- Provides Recurring Sustainable Income Forever
- Invested for Growth and Alignment with Catholic Values

“Together, we are building more than a parish. We are a spiritual home where each person is called to worship God in a sacred and welcoming space, to grow closer to Him through prayer and fellowship, and to live out our faith in service to others. I am grateful for the many ways you help make this possible.”

Fr. Jovi Balang
Pastor

All Saints Roman Catholic Church
