Healthcare Costs and Small Business: A Bipartisan Concern and Call for Action In Washington

December 13, 2023
Washington Small Business Owners Want Action

Washington Findings Include

Health Insurance Benefits

• 51% of respondents do not offer health insurance, mainly hindered by the high cost (56%), emphasizing the necessity for affordable healthcare options.

Increase in Healthcare Premiums

• 97% experienced increased premiums last year, with nearly one in three facing more than a 15% hike, indicating the severity of rising healthcare costs.

Impact of Healthcare Costs on Business Bottom Line

• Eighty-five percent of the small business owners surveyed indicated that healthcare costs have an impact on their business’s bottom line (45% say the impact is significant).

• This substantial percentage highlights the critical financial burden that healthcare expenses place on small businesses, affecting their overall financial health and capacity for growth and development.
Washington Small Business Owners Want Action

Specific Impact on Business Operations

- Small business owners surveyed said high healthcare costs have constrained growth (39%), hiring (25%), and led to price increases for goods/services (37%).

Perception of Healthcare Market

- The majority, 79%, believe that the current healthcare market is not functioning effectively and requires a major overhaul. This strong consensus reflects widespread dissatisfaction with the current state of healthcare pricing and delivery, emphasizing a call for substantial reform.

Legislative Solutions

- There's considerable support for legislative measures like price transparency (76%), site-neutral billing (73%), facility fees (82%) and regulating anti-competitive practices (76%).
