STOCKYARD 110z SIRLOIN STEAK **GFO** **IMPROVED** £29.95

A classic cut with the perfect balance of tenderness & flavour. Taken from the loin, our sirloin steak is leaner than rump but still packs a rich, beefy taste. Lightly marbled & grilled to your liking, it's best served medium to bring out its natural juices. A dependable favourite for those who want a tender bite without too much fat

20 oz JUICY ROCKIN' RUMP **GFO** **IMPROVED** £28.95

Succulent & full-flavored, our rump steak is grilled to perfection, just the way you like it. Cut from the hindquarter, this hearty steak offers rich marbling & a bold, beefy character. While not as tender or lean as sirloin or fillet, its robust flavour more than makes up for it — a proper choice for those who enjoy a satisfying cut. Best enjoyed medium-rare to medium to bring out its natural juiciness without losing its bite

30 oz TEXAN T-BONE **GFO** **IMPROVED** £43.95

The best of both worlds — this impressive cut features the tenderness of fillet on one side & the rich flavour of sirloin on the other, separated by the bone that gives it its name. Perfect for hearty appetites, the T-bone is thick-cut and full of character. Best grilled & served medium-rare to medium to let both sides shine, with the bone adding extra depth of flavour as it cooks. A real showstopper for the true steak lover

NEW 12 oz LONGHORN RIBEYE **GFO** £31.95

Rich, juicy, & deeply marbled, the ribeye is the king of flavour.
