BIBLE FAMILY FEUD — FIRST FRIENDS EDITION
HOST GUIDE • October 18, 2026

PLAY INSTRUCTIONS
Open the PowerPoint in Slide Show mode (F5). Press the right arrow to reveal the five answers ONE AT A TIME, from highest to lowest score. Answers are revealed in a fixed sequence, not by clicking any individual row. Keep team scores on paper or a whiteboard.

RECOMMENDED EASY PLAY: alternate team guesses; each correct guess scores the point value shown when revealed. Advance until all five answers are visible. For Family Feud-style stealing, give three misses and let the other team attempt a steal. You may accept close synonyms. No macros or internet required.

IMPORTANT: Rankings and scores are invented for entertainment; NO ACTUAL SURVEY was conducted. Some prompts are creative, so reasonable alternate answers are welcome.
