WHAT DOES IT MEAN TO HOST A TABLE?

- ▶▶ Invite and fill a table with 6-8 guests (including you, the table host) who you think should hear about the ministry of FCA
- ▶▶ Help your guests register online (FREE) on the banquet webpage - www.mcindianafca.org/dinner
- ▶▶ When your guests register, there is a text box labeled “Table Host Name.” Have them type your name in that box to help us seat them correctly
- ▶▶ **No cost** whatsoever to host a table, just **simply commit to filling a table with people who would benefit from hearing about the ministry of FCA**, which helps us maximize the reach and impact of the banquet. There will be an “ask” at the end of the evening to invite attendees to give a financial gift or indicate volunteer interest. Our financial goal for the evening is to raise \$20,000 for the ministry.
- ▶▶ In order to secure your table seats, you must communicate the names of your guests to Sarah or Kyle by the end of the day on Friday, March 27th. After this, any seats not claimed by table hosts will be released for General Admission.
