# Please read our artwork requirements before you email your files

## Artwork Guidelines

Bleed is an area that extends beyond the cut/trim size of your design.

Bleed is a required part of your design when you want a color or image that runs to the edge of the cut area.

cut/trim area

bleed area 3mm

### File Specifications

**Bleed:** 3mm on all sides

**Margins:** 5mm all sides

**Accepted file types:** PDF high quality

**Resolution:** 300 dpi for all images in PDF

**Fonts:** to be embedded

**No:** crop marks or other printer marks

**No:** multiples on a page, single file only

#### We do not print from:

Microsoft Publisher, Powerpoint or Excel

We may print from Microsoft Word, but will not accept any responsibility for changes that may occur i.e: formatting, margins or font substitution etc.

**Please save to PDF to avoid these problems**

**Document sizes** (add 6mm to each dimension if bleed required)

**Business Card** 90mm x 55mm

**DL flyer** 99mm x 210mm

**A6** 105mm x 148mm

**A5** 148mm x 210mm

**A4** 210mm x 297mm

**A3** 297mm x 420mm

We do not **correct, modify** or **proofread** supplied artwork.

All files are printed as supplied.

**Files not ready for print will attract additional fees**

# Did you know <sup>CG</sup>Quickprint<sup>DIGITAL</sup> has been a family owned business since 1991?

CG Quickprint began in 1991 in a small home office in Rye.

In 1992 as business grew, Gil and Catherine (Caroline's Mum) opened in the small upstairs office on the corner of First Avenue, Rosebud.

1992

1999

After outgrowing the top floor of First Ave, we moved to Ninth Ave in 1998.

Catherine passed away in 2003 and Caroline started working part time to assist Gil.

1999

2002

Gil and Caroline worked together until 2017 when Gil semi-retired.

Caroline now runs the business.

Tessa, Caroline's daughter started working in the business in 2017.

1997

1998

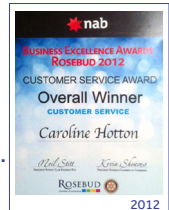

1998

In February 2018 we moved to Rosebud Parade where we continue to provide high quality printing and friendly service.

We started with one small photocopier.

We now have seven printers of various sizes and many other machines.

We would like to thank all our valued customers over the years for supporting our business.

2012
