

Dear Member

RE: The Bright Resort Limited

Please find enclosed herewith: -

1. Annual Accounts for year ended 30/06/2026.
2. Budget for year ended 30/06/2027.

2026 Financial Year

In the 2026 financial year, The Bright Resort Limited spent \$94,930.00 on Refurbishment/Improvements. Other entities that own four (4) units at the resort contributed \$11,168.00, so the net figure in the accounts is \$83,762.00.

Listed below are the other major variances in income/expenditure for the 2026 financial year compared to budget that requires an explanation.

<i>Category</i>	<i>Actual</i>	<i>Budget</i>	<i>Comments</i>
Net GST Adjustment	\$9,814	\$0	Bonus Time & On-Site Management Fee income is taxable supplies. Accordingly, were appropriate, a net adjustment was made to recover input tax credits relating to these supplies that were remitted to the ATO.
Ground Wages	\$134,892	\$132,000	Approval given to spend more than budgeted by head office.
Laundry	\$63,336	\$60,000	Under budgeted but the cost does depend on occupancy.
Waste Disposal/ Pest Control	\$35,093	\$31,000	Under budgeted but the cost does depend on how much waste is collected.

HOLIDAY CONCEPTS

Holiday Concepts Corp Pty Ltd ABN 84 007 146 367
10 Dover Street, Cremorne VIC 3121
PO Box 2287, Richmond, Victoria 3121 Australia

Annual Leave Provision	\$11,631	\$618.00	Resort staff did not take all their annual leave in the financial year, so a provision is made.
Repossessions-Written Off	\$3,222	\$0.00	Maintenance fees written off that are unlikely to be collected.
Long Service Leave Provision	(\$5,137)	\$4,036	Some resort staff took LSL in the financial year.
Management & Office Salaries	\$154,247	\$167,109	*See AL Provision. Not all resort staff took their annual leave in the financial year.
Rates & Taxes	\$66,155	\$59,000	Increase in all types of rates (council, land tax, water) so therefore did not budget enough.

2027 Financial Year

The Maintenance Fee for the 2027 calendar year should be struck at \$940.00. This \$40.00 increase is required to cover the increase in the normal every day running expenses of the Resort.

The Maintenance Fee has increased approximately 4.5%. Please note that for the twelve months to June 20256 quarter, CPI rose 3.8%.

We are also again proposing a \$50.00 Maintenance Refurbishment Fee (Special Levy) per week owned as detailed in my letter to members dated the 1st of July 2014. The Maintenance Refurbishment Fee (Special Levy) will be invoiced every year with your Annual Maintenance Fee.

In the 2027 financial year, the resort proposes to allocate \$130,000.00 towards Resort Refurbishment/Improvements. The Club will receive \$15,294.00 reimbursement from other entities that own four (4) units at the resort. This will result in a net figure of \$114,706.00 being allocated towards Resort Refurbishment/Improvements.

The \$130,000.00 will be spent on: -

- Whitegoods-Dishwashers, microwaves, washing machines, refrigerators, clothes dryers, (if required).
- Appliances-Hot water services, air conditioners, cooktops, televisions (if required).
- New 2 seat lounge x 10 for units 3-6 & 10.
- New flooring & carpet in unit 26.

- LED lighting upgrade in units 3-6,19,21,24 & 25.
- New queen mattress in units 1-11, 13,15-22.
- Repair some unit's facia's & eves.
- New shade sale for kid's pool, gazebo & new outdoor pool furniture.
- New pool area flooring.
- Any other resort Refurbishment/Improvements required.

A detailed list will be provided in the 2027 accounts to display how all refurbishment monies were spent.

At the end of the 2027 financial year, I forecast that Bright Resort Limited will have a retained profit of \$243,942.00.

Happy holidays in 2027.

Yours faithfully
The Bright Resort Limited
A.C.N. 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

The financial report covers The Bright Resort Limited as an individual entity. The Bright Resort Limited is a Company limited by shares, incorporated and domiciled in Australia. The scheme is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

These financial statements and associated notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The Company has adopted the amendments to AASB 101 Presentation of Financial Statements which require only the disclosure of material accounting policy information rather than significant accounting policies and therefore policy information which does not satisfy one of the following requirements has been removed from these financial statements:

- Relates to change in accounting policy
- Policy has been developed in the absence of an explicit accounting standard requirement
- Documents an accounting policy choice
- Relates to an area of significant judgement or estimation
- Relates to a complex transaction and is required to explain the treatment to the user

1 Summary of Material Accounting Policy Information

(a) Income Tax

The company does not qualify for exemption from income tax. However, under the principle of mutuality it is only subject to income tax on income derived from non-members, such as interest from financial institutions, less an appropriate amount of directly and indirectly related expenses.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and losses can be utilised.

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

1 Summary of Material Accounting Policy Information

(b) Revenue and other income

All revenue is stated net of the amount of goods and services tax (GST).

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Maintenance Fees and Levies

Members' annual maintenance fees are brought to account in respect of the financial year and are included in the accounts accordingly on an accruals basis.

However, since members are invoiced in respect of the calendar year, maintenance fees received and receivable in respect of the six months ended 31st December 2026 are excluded from current income and are shown in the accounts as part of Other Current Liabilities.

Income from maintenance refurbishment levies is recognised as income when the associated refurbishment expense has been incurred. Until this expenditure has occurred it is shown in the accounts as part of Other Current Liabilities.

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

1 Summary of Material Accounting Policy Information

(c) Property, Plant and Equipment

Plant and equipment (acquired for common resort usage) are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses related to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Comprehensive Income during the financial period in which they are incurred.

The repair and replacement of original villa chattels is considered to be an on-going expense, the cost of which will be provided for by the Manager in the annual operating budget as Resort Refurbishment. Proceeds from the sale of any such items will be recognised in the accounts as Sundry Income as and when received.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a reducing balance basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and Equipment	15 - 30%
Motor Vehicles	18.75%
Office Equipment	33.33 - 50%

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

1 Summary of Material Accounting Policy Information

(d) Bonus time

Bonus time income was derived from additional weeks' holidays taken by resort owners, owners from sister (Holiday Concepts Group) resorts, affiliated resorts and other time-share owners through the various exchange organisations.

Members are able to book bonus holidays, no longer than nine months in advance, provided they have both paid for and been allocated their ownership week(s). The Manager and Membership Services have advised that in any one year the experience of the time share industry generally and the Holiday Concepts Group (hereinafter referred as "HC Group") is that approximately 10% - 15% of the available space each year is not booked by members, whether financial or otherwise, and accordingly each resort has the ability to offer limited bonus time to financial members.

The company entered into an Agreement with Resort Systems Pty. Ltd.(H.C. Direct) to promote the availability of bonus time throughout the entire Holiday Concepts Group membership.

Resort Systems Pty. Ltd. allocates 60% of all bonus time income to the Clubs and in turn, the Manager allocates this income between the Clubs on a needs basis.

(e) Financial instruments

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Impairment of financial assets

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

1 Summary of Material Accounting Policy Information

(e) Financial instruments

Financial assets

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Financial liabilities

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

(f) Unpaid Maintenance Fees and Repossessed Weeks

Maintenance fees are recognised as receivable when they become due from members. The recoverability of outstanding maintenance fees is assessed having regard to the Group's established collection, forfeiture and resale procedures. Where maintenance fees remain unpaid, the Group undertakes a formal debt recovery process, including referral to debt collection agencies and, where amounts remain outstanding, repossession or forfeiture of the member's time-share interest in accordance with the Group's forfeiture policy.

Upon repossession, the related week is recognised as a repossessed week at an amount equal to the outstanding maintenance fees recoverable at the date of forfeiture. Interest, collection charges and administration fees are not included in the carrying amount of repossessed weeks, as these amounts are recognised as income only when received. Repossessed weeks are subsequently offered for sale through the Group's tender process or otherwise transferred in accordance with the forfeiture policy, with sale proceeds applied first to outstanding maintenance fees, interest and administration charges.

At each reporting date, the directors assess the expected recoverability of maintenance fee receivables and the carrying value of repossessed weeks. This assessment considers historical collections experience, current market demand for timeshare interests, recent sales activity, expected resale values and the likelihood of recovering outstanding maintenance fees through the forfeiture and resale process. Where the directors determine that the carrying amount of maintenance fee receivables or repossessed weeks exceeds the amount expected to be recovered, an impairment loss or write-off is recognised.

During the current year, the Group experienced a decline in the market for timeshare interests, resulting in reduced demand and lower resale values for certain repossessed weeks. As a consequence, the Group recognised write-offs and impairment losses in respect of maintenance fee balances and repossessed weeks where recovery through resale was no longer considered probable. The directors continue to monitor market conditions and reassess recoverability at each reporting date.

(g) Leases

Exceptions to lease accounting

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

(h) Employee benefits

Contributions are made by the company to employee superannuation funds and are charged as expenses when incurred.

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

1 Summary of Material Accounting Policy Information

(h) Employee benefits

Long service leave is brought to account at an amount based on a formula whereby the entitlement is recognised upon a service period of greater than five years across all the Holiday Concept Group of timeshare resorts. The liability is calculated using a pro-rata nominal basis of current remuneration of the employees.

Annual Leave is recognised as at the expected dollar value of the payments to be made for service provided up to balance date for eligible employees. It is measured on a nominal basis.

(i) Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 30 June 2026, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

2 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - fair value of financial instruments

The company has certain financial assets and liabilities which are measured at fair value. Where fair value is not able to be determined based on a quoted price, a valuation model has been used. The inputs to these models are observable, where possible, however these techniques involve significant estimates and therefore fair value of the instruments could be affected by changes in these assumptions and inputs.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Notes to the Financial Statements
For the Year Ended 30 June 2026

14 Financial Risk Management

The Company financial instruments consist mainly of deposits with banks, short-term investments, accounts receivable and accounts payable.

The Company's overall risk management plan seeks to assist the company in meeting its financial targets, whilst minimising the potential adverse effects on financial performance.

Risk management policies are approved and reviewed by the Board of Directors on a regular basis. These include the credit risk policies and future cash flow requirements. The main purpose of non-derivative financial instruments is to manage cash flow for operations.

Objectives, policies and processes

Risk management policies are approved and reviewed by the Board of Directors on a regular basis. These include the credit risk policies and future cash flow requirements. The main purpose of non-derivative financial instruments is to manage cash flow for operations.

Specific information regarding the mitigation of each financial risk to which the Company is exposed is provided below.

Interest Rate Risk

Financial instrument composition and maturity analysis

The Company's exposure to interest rate risk, which is the risk that a financial instruments value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on classes of financial assets and financial liabilities, is as follows:

	Weighted Average Effective Interest Rate		Floating Interest Rate		Non-interest Bearing		Total	
	2026	2025	2026	2025	2026	2025	2026	2025

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

For the Year Ended 30 June 2026

14 Financial Risk Management

Liquidity risk

The Company manages its liquidity needs by carefully monitoring scheduled debt servicing payments for long-term financial liabilities as well as cash-outflows due in day-to-day business.

At the reporting date, these reports indicate that the Company expected to have sufficient liquid resources to meet its obligations under all reasonably expected circumstances and will not need to draw down any of the financing facilities.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Company.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognise financial assets is the carrying amount of those assets. No provision for bad or doubtful debts is raised as in the opinion of the directors, this is immaterial. No security is held over amounts outstanding at the balance date.

The Company has no significant concentration of credit risk with respect to any single counterparty or group of counterparties. The class of assets described as "trade and other receivables" is considered to be the main source of credit risk related to the Company.

There are no balances within trade receivables that contain assets that are not impaired and are past due. It is expected that these balances will be received when due.

15 Key Management Personnel Disclosures

No income was received or receivable by directors of the company whilst acting as directors and no amounts were paid to prescribed superannuation funds for the provision of retirement benefits.

Other key management personnel transactions

For details of other transactions with key management personnel, refer to Note 17: Related Party Transactions.

16 Contingencies

In the opinion of the Directors, the Company did not have any contingencies at 30 June 2026 (30 June 2025:None).

The Bright Resort Limited

ABN: 40 006 445 978

Notes to the Financial Statements

- increase/(decrease) in provisions	6,495	14,294
Cashflow from operations	<u>107,994</u>	<u>59,344</u>

19 Going Concern

The financial statements have been prepared on a going concern basis, which assumes that the The Bright Resort Limited will continue to operate for the foreseeable future and will be able to realise its assets and discharge its liabilities in the normal course of business.

The Company is reliant on the continued receipt of income from members to meet their annual maintenance fees, together with the continued financial support director related parties in respect of the maintenance fees, in order to continue as a going concern. During the financial year, the Company experienced an increase in member repossessions which has impacted forecasted revenue from annual fees and redemption activity. These developments reflect broader economic pressures and shifts in member engagement.

In response, management has initiated a series of mitigation strategies, including:

- Launching a tender campaign to facilitate the sale of repossessed shares, aiming to restore active membership and generate liquidity;
- Enhancing member retention.

Management has prepared detailed cash flow forecasts for a period of at least 12 months from the date of signing the financial statements. These forecasts incorporate conservative assumptions regarding member retention, new enrolments, and the success of the tender campaign. Based on this assessment, the directors are satisfied that the Company has adequate resources to continue operating and meet its obligations as they fall due.

Accordingly, the financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts or classification of liabilities that might be necessary.

The Bright Resort Limited

The Bright Resort Limited

Independent Audit Report to the members of The Bright Resort Limited

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report of The Bright Resort Limited (the Company), which comprises the statement of financial position as at 30 June 2026, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policy information, and management's assertion statement.

In our opinion, the accompanying financial report of the Company for the year ended 30 June 2026 is prepared, in all material respects, in accordance with Corporations Act 2001.

(i) giving a true and fair view of the Company's financial position as at 30 June 2025 and of its financial performance for the year ended; and

(ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the **Auditor's Responsibilities for the Audit of the Financial Report** section of our report. We are independent of the Company in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Corporations Act 2001, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

Compilation Report

The Bright Resort Limited For the year ended 30 June 2026

Compilation report to The Bright Resort Limited.

We have compiled the accompanying special purpose financial statements of The Bright Resort Limited, which comprise the income statement and balance sheet for the period ended 30 June 2026, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is to provide information relating to the performance and financial position of the company that satisfies the needs of the members.

The Responsibility of the Directors

The directors are solely responsible for the information contained in the special purpose financial statements and have determined that the significant accounting policies adopted as set out in Note 1 to the financial statements are appropriate to meet their needs and for the purpose that the financial statements were prepared.

Our Responsibility

On the basis of information provided by the directors, we have compiled the accompanying special purpose financial statements in accordance with the significant accounting policies adopted as set out in Note 1 to the financial statements and APES 315: Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants*.

Assurance Disclaimer

Since the compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion of these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of the members of The Bright Resort Limited who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the special purpose financial statements.
