Restorative Practice

'The philosophy of restoration offers hope for those of us who want our children to grow up in a world where they understand that whatever they do, whether good or bad, it will have an impact on someone else.'

– Cath Butler, Head of Faith and Wellbeing

Pastoral care underpins all practices within the Fairholme community and finds foundation in our values of Christ-Centred Faith and Respect; it encourages the development of honesty, integrity and a high standard of a personal demeanour.

Thrive Program

'I value the Thrive Program because it has helped me learn life skills for not only in school but beyond school as well.'

– Isabelle Nixon

Every student in Years 8-12 is time tabled to attend Life Skills lessons once every two weeks. The program presents an opportunity for the girls to be heard and deliberate over some of the contemporary issues that individuals in today's society might face. For example, our students learn how to change a tyre, they conduct Homework Help for students in our community and raise money for community projects. The aim is to develop each girl's acceptance of herself as a worthwhile, competent and productive young woman, and also to provide information to enable students to make informed life choices.

Extracurricular

Middle & Senior School

SPORT

Indoor

Basketball Futsal
Netball Swimming
Volleyball Waterpolo
Strength and Conditioning Program
High Performance Sports Program
(invitational)

Academic Support

At Fairholme, we are committed to providing comprehensive academic support to all our students, ensuring they achieve their fullest potential from Junior to Middle to Senior school. Our structured support programs are designed to cater to the unique needs of students at each stage of their educational journey. We strive to foster a love of learning and equip our students with the skills they need to thrive both in school and in life.

Scholarships

The Fairholme College Scholarship program aims to encourage and recognise students in their pursuit of excellence. It is intended to provide students with the financial support to further their education as well as reward achievement and effort. Scholarships are awarded to students who demonstrate exceptional character, reflecting qualities

such as integrity, leadership, initiative, care and compassion for others. Scholarship applications for students who are entering Year 7 or 10 will open in October each year. More information about each available Scholarship and Bursary can be found here <https://www.fairholme.qld.edu.au/scholarships>

For more information on the scholarships offered at Fairholme College, visit www.fairholme.qld.edu.au/scholarships, or call Head of Enrolments, Mrs Tina Hammond on 07 4688 4635 or email Tina.Hammond@fairholme.qld.edu.au

We invite you and your family to visit and experience our first-class learning environment for yourself.

The College conducts regular tours during term time and a range of events throughout the year for prospective students and their families to learn more about Fairholme.

To find out about the admission process, book a tour, or to attend a Fairholme Girl For a Day, please scan the QR codes.

There, you will find details available to assist you in taking the next steps towards becoming a part of our College community.
