- Low speed vehicles (LSV) that have been issued a tag and have the required safety features.
- Operators must have a valid driver's license (not a learner's permit) and be at least 16 years old.
- If a child requires a car seat in a motor vehicle, the same applies to LSVs.
- LSVs must adhere to all traffic laws.
- A golf cart is designed for a golf course, not a street being shared with automobiles and trucks. High speed vehicles have the right of way.
