

LATE DEPARTURE OPTIONS

All transfers to and from the resort are arranged via TransMaldivian Airways, a third party independent contractor with an independent flight schedule which the resort has no control over. All guests are given connections according to their international flights. Last departure flights from the resort are normally scheduled between 2:30pm and 3:30pm as seaplanes only operate during daylight hours. As Outrigger Maldives Maafushivaru Resort does not have any departure lounge services for departure guests, below are the options available for our guests at Velana International Airport.
