

B'KIDULT

Early Learning & Wellbeing

Now open for all ages throughout the year, JOALI BEING continues to expand experiences for sojourners. Focusing on the vital importance of early-stage learning and wellbeing, the retreat's expert team will introduce B'Kidult on 15th December 2023, a new zone for multi-generational play with specially curated offerings to inspire young hearts and minds.

A child's early years lay the foundation for the rest of their life. Childhood learning and wellbeing have a direct and enduring impact on the future, including educational attainments, career path, financial status, all-round health and civic engagement. Interwoven with the beauty and abundance of nature, the new zone at JOALI BEING showcases the incredible possibilities of playtime for learning and wellbeing. Experiences are deftly designed around the Four Pillars - the resort's unique approach to holistic wellbeing.
