## ARRIVAL EXPERIENCE

After you exit customs at Velana International Airport, our Baglioni Airport Team will be ready to greet you and assist with your Trans Maldivian Airways seaplane check-in. They will ensure you are transferred to the VIP Lounge at Noovilu Seaplane Terminal, where you can freshen up and relax while you wait for your seaplane departure. As our guest you can enjoy complimentary access to this lounge including non-alcoholic refreshments, snacks, Wi-Fi, and much more in a comfortable setting.

The fascinating seaplane transfer to Baglioni Maldives is only 45 minutes long, so be prepared to enjoy a view like no other and an experience you will be talking about for years to come.

Upon arrival, experience a warm Maldivian welcome by our team on the pier and the vibrant reef fish in the lagoon. You'll be welcomed by traditional Bodu Beru (Maldivian drums), a hand-crafted palm leaf necklace, and tropical Coconut (Kurumba) or a glass of champagne.

Once check-in is complete, you will be taken to your villa by golf cart, offering you the chance to get to know the island a little better, and you can enjoy an in-villa welcome amenity as you unwind and celebrate your arrival.
