CORA CORA MALDIVES ABOUT US

Freedom reigns at Cora Cora Maldives. You'll feel it as soon as you set foot on our private island. Breathe in the fresh sea air and breathe out your worries. You've found your escape route to happiness.

FLIP-FLOPS, NOT FORMALWEAR

Footloose and fancy-free is our philosophy, so when you're wondering what to pack, you can leave the tuxedo behind and pop in another beach read instead.

In our four restaurants and two bars and our welcoming spa, you'll find exquisite meals and expert treatments, but you won't find snooty attitudes.

ISLAND LIFE UNLIMITED

Cora Cora Maldives is on Raa Maamigili, a sand-fringed private island that's surrounded by a calm 100-hectare lagoon, rich with vibrant corals and fish. You can swim to the gorgeous house reef from the beach, or take boat trips to bigger reefs and deeper waters. The seemingly endless Indian Ocean is your playground.

Back on land, you can explore 175,000 (700x250) square metres of palm trees, butterflies, exotic birds and white sand beaches. Our five-star contemporary resort, with 100 villas all have expansive views of the Indian Ocean. Some are overwater and some on the beach - take your pick and soak up the scenery on your doorstep.

OUR PREMIUM ALL-INCLUSIVE PHILOSOPHY

We want you to truly relax, so we've bunged - almost- everything into our Gourmet Meal Plan® (Premium All-Inclusive).

You're free to choose from the huge selection of fantastic food and drinks on all the main menus in our restaurants and bars, including three-course meals, grab-and-go snacks, ice cream and coffee from early morning to late evening, plus cocktails, wines, bubbly and your favourite brand-name beverages.

Non-motorised watersports are included too, so you can hit the waves without worrying about your wallet. Our exercise classes, outdoor movies, island museum and heaps of other regularly changing activities are all in the plan.

THE CORA CORA MALDIVES FAMILY

Our 200-plus team members all exude joy, energy and a spirit of fun, which infuses the island with good-time vibes that you'll feel everywhere, from the beaches to the bars.

Our Managing Director, Martin Van Der Reijden, and General Manager, Justin Swart, have both lived and worked on many luxury resorts in the Maldives and around the world.

And our Commercial Director, Vishen Mootoo, was born and raised in the Indian Ocean, so nobody knows it better.

We're independently owned, so we've had the freedom to create the laid-back Maldives experience of our dreams.

We're sure you'll agree with our Cora Cora Maldives family that our island is truly a happy place.

And if you want high-protein, low-carb, gluten-free or vegan, you'll find delicious dishes as standard on every menu, with any other diets happily catered for too.

SWEET SURPRISE

Psst... here's a little secret you'd never know unless we told you.

We're the Maldives' only low-sugar island.

You won't taste the difference - so no need to tell the kids - but by eliminating cane sugar from almost all of our recipes, we've sneakily made everything just that little bit healthier.

TASTE-MAKERS

Our Executive Chef has brought together a team of more than 80 food and drink specialists to ensure your dining experiences are world-class.

And whether served with your meal or in-between, you're free to drink whenever you like from our fully inclusive menus of cocktails, wine, beer and alcohol-free drinks for all ages.

DELICIOUS EXTRAVAGANCES

A takeaway concept created with signature dishes from each outlet. Our menu will be fast, simple, and healthy. We also offer a selection of vintage wines and premium spirits, as well as private-dining experiences, for an additional charge. But all of the options on our dining venues' main food and drink menus are truly fully included, so ask staff about these indulgent extras if you're looking for something very special.

FOOD AND DRINK VENUES

With four restaurants, two bars, one of which is a café and ice cream stop - all included in your Gourmet Meal Plan®, your next drink or bite to eat is never far away.

Acquapazza®

The glamour of an Italian beach club with a welcoming Maldivian vibe. Then lunch or snack on Italian salad or a stone-baked pizza while a DJ spins chilled-out island tunes.

Recline under a beach umbrella as a waiter brings you an ice-cold cocktail, frothy lager or chilled glass of wine - with or without alcohol.

No need to move when it's time for dinner. Just kick back in your lounge and grab a seat at a table on the deck as you choose from the delicious pastas, risottos, seafood, meat and vegetable-based main dishes.

As dusk falls, the festive mood rises with island music in the restaurant. Time to grab a cocktail and watch the sun dip behind the ocean waves.

Tazaa®

Explore the flavours of the ancient Spice Route - plus timeless comfort-food favourites - in this all-day indoor-outdoor sunset-view dining venue.

This tasty melting pot of flavours inspired the east-meets-west menu of Tazaa®, with mezzes, shish-kebabs and curries perfect for adventurers. Our modern classics - burgers, soups and salads - set up the whole family for a day of seaside exploration. Don't leave without dessert - sweet and delicious without any refined sugars.

Ginger Moon®

Experience the sizzling energy of an Asian street market at this exciting dinner restaurant. Platters and bowls of vibrant vegetables, tender meats and zingy herbs prepared in front of you in the open kitchen, and made to order just as you like.

We've plucked the best dishes from Thailand, Indonesia, Korea, Philippines and Malaysia to give you the tastes of east Asia with a view of the Indian Ocean.

Teien®

Romance the night away in this seductive Japanese restaurant.

Keep it casual at Teien® where you'll be served fish fresh off the boat. Relax at a table as the waiter brings you skewers of kushiyaki - meats, seafood, vegetables - straight from the grill. Or nab a spot at the teppanyaki table, with set menus made on the griddle right in front of you by a talented - and entertaining - chef.

Earlier in the evening, it's fun for all the family, with sushi rolls, fun skewers to eat with your hands.

MY COFFEE®

Stop by to pick up whatever you fancy. Wine, beer, cocktails, mocktails and fruit juices - always delicious and always available at the bar.

Our huge range of teas - black, green, white and herbal - will keep you going, or help you get to sleep, day or night. Plus hot chocolate for the kids (or yourself).

Naturally, there's always coffee available. And not just any coffee. The beans are fresh-roasted on the island for exquisite flavour profiles, whether you like a dark-roast espresso, a medium-roast latte or a light-roast filter.

Did someone say gelato? You can get it anywhere on the island, but this is our full-service gelato counter, ice-cold, vegan, sweetly delicious and homemade without refined sugars.

Culture & History

This might be your first experience of the wonders of the Maldives, but our island has been welcoming visitors for more than 900 years.

Step this way to peek into a time when the island bustled and hustled with travellers who stopped by for a different reason. Ships sailed the Spice Routes, and our atoll was the ideal spot to stop, do a little trading, restock and wait for the weather and winds to turn in their favour.

Excavations on Maamigili - the island Cora Cora Maldives is on - have revealed more than 60 remarkable finds. And we have also sourced more than 400 fascinating relics from across the Maldives, which

we have curated this into the The Dutch Onion® Museum.

When you arrive for check-in, take time to look around the museum gallery in the lobby.

In the centre of the island, explore our outdoor site, where you'll discover ancient memorials dating back 500 years, and perhaps the most extraordinary find on the island - two temple tanks thought to be around 900 years old.

Finally, visit our 120-year-old traditional Maldivian house, with displays of traditional island life in the 1900s, to get a feel of what it might be like to live on Maamigili year-round.
