“Embudu is a paradise! Paradise and welcoming island of extraordinary beauty. The team of spectacular staff, take care of everything with great affection and care. From reception to impeccable cleaning. Organized restaurant and nice food. I would recommend this place a thousand times, we had a wonderful stay. They made our days so much better!”

OUR COMMITMENT TO PROVIDE YOU A SAFE AND RELAXING HOLIDAY

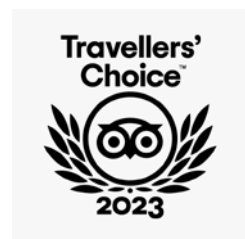

- We reopened Embudu Village on the 1st of September and have diligently implemented stringent health and safety protocols to provide you with a safe and relaxing holiday experience.
- Our team members are actively involved in regular awareness and training programs; and strict hygiene and cleanliness protocols will be followed, especially in public areas.
- The overall frequency of cleaning will be increased by using sanitizer and disinfectants supplied by specialists. Our team members and guests will be practicing social distancing; hence there will be less direct communication, and messages will be passed digitally where possible.
- At Embudu Village, it is one of our main pillars not to compromise sustainability. We are determined to work towards eco-friendly practices when implementing health and safety protocols.
- Embudu Village has met the requirements of Hotel Resilient International COVID-READY Standard, and obtained the COVID-READY Gold Certification.
