TESTIMONIALS

Best hospitality :)

"The Hard rock hotel is kid friendly . From the moment we reached there, until we left, we were taken care of by the staff well.

Special thanks to Alfar who helped with everything from check in to check out. He made sure we had our bottles refilled so we could have water after we checked out as well. A simple gesture goes a long way, especially when you travel with an infant. Thank you Alfar.

Also, i cant miss to mention Dibya who was always smiling and was really sweet to my son. Goes the extra mile to make sure kids are happy.

Thank you Dibya. Keep doing what you are doing, other mommies will need you too.

Fun, beautiful, excellent food, staff, entertainment and guests

"Wow wow wow this resort is everything and more than we expected it to be! We absolutely loved it. We chose this hotel as we have always wanted to go to the maldives but were worried we would get bored and have no one to talk to. We thought the hardrock would have guests who also want to have fun and we were soo right! You can party as hard or as soft as you want to, but bored is never a word you can use! We stayed 9 nights.

From collection from the airport to returning to the airport every single thing was perfect.

The hotel, rooms, grounds are perfect but the staff and the food are what makes this hotel.

We have never seen staff so happy and looked after by a hotel before, this made a huge difference. It was so nice to see the entrainment staff getting involved eating and having drinks its all added to the fun friendly environment.

The food the restaurants! soo much choice! Best we have ever had at an all inclusive any where in the world. I actually think this will be hard to beat or wont be beaten. Our favourite was the kebab and curry, the cheese naans we added garlic they were soo nice we went 3 times.

We went on a private tour with the hotel dive team we chose snorkelling with sharks! Wow wow wow just do it memories for life.

We also booked a big game fishing trip through hilman sports fishing they pick you ip at the hotel jetty this was also fantastic to do.

The staff at the resort from the cleaning staff, chefs, waiters and barmen always said hi checking we were ok and if we wanted anything, made us feel special and really looked after.

Now the pool bar men and the hard rock cafe staff, they are Amazing!!!!!! Even though your all-inclusive at some resorts getting a drink can take time here they give you it before you even ask (once they know what you like) or they are asking if you want another! This service is is incredible.

I cant remember the staff names in the hard rock cafe but thank you to all of them.

Loved the band on sat night! They were amazing!

And a special thank you to Dicto from the pool bar you were soo nice.

Hassa, Gopi, mustaqeem, and mahesh thank you, you were great.

The entertainment team! DJcarolgarcia our absolute favourite! Thank you we loved your music you really helped make our holiday!!

We will return to this hotel it was supposed to be a once in a lifetime holiday but it definitely wont be!!

Book it now you wont regret it!"
