## MAAKANAA KIDZ INFORMATION

Maakanaa Kidz keeps our youngest guests entertained during their stay, with educational activities, exciting games, craft making and beach fun with a twist of Maldivian experiences. Our concept for the little ones is to PLAY, LEARN & HAVE FUN.

We offer a fun-filled schedule, seven days a week with outdoor activities, allowing the children to experience the Maldivian essence with cultural lessons, sports, and educational games. Our indoor activities include coconut arts & crafts, Dhivehi language practice, drawing, painting, coloring, face painting, puzzles, movies and lots more.

For safety and security reasons, parents must register their children at Maakanaa Kids, so our Kids Attendants can super- vise them. A registration form must be completed, and acceptance of your children is subject to certain conditions (such as the health and happiness of your child). You can collect the activity schedule from the Maakanaa Kids.
