An aerial photograph of a tropical resort. In the center is a large, teardrop-shaped lagoon with a sandy beach on the right side. To the left of the lagoon, a series of white walkways branch out into the turquoise water, leading to numerous overwater villas with dark, gabled roofs. On the right side of the lagoon, there is a large, circular structure with a dark, multi-lobed roof, possibly a central pavilion or a large overwater pool. The beach is lined with lush green palm trees and other tropical vegetation. The overall scene is bright and sunny, with clear blue water and white sand.
