

A woman with blonde hair, wearing a white one-piece swimsuit and a wide-brimmed straw hat, is shown in profile from the waist up. She is holding a large, green palm frond horizontally across her chest. The background is a bright, sunny beach scene with clear blue water, a sandy shore, and a thatched-roof building in the distance under a blue sky with white clouds.

**AN ISLAND PARADISE RESORT WHERE YOU CAN
EXPERIENCE THE BEST OF MALDIVES**

The Maldives is one of those places that continue to pop up on travellers' bucket lists, beckoning with luxurious resorts such as LUX* South Ari Atoll. And for a very good reason. If you've fantasized about experiencing a Maldives resort on a faraway tropical island, embodying a Robinson Crusoe lifestyle, you're in the right place. At LUX* South Ari Atoll, you will ride your bicycle along the jetty, swim alongside whale sharks, hang out in your bungalow on stilts, dine at any of the eight restaurants, dance the night away, and partake in marine conservation... Whatever it is you love, you'll find it here at our Maldives resort.
