Laid Back Natural Lifestyle

An aerial photograph of a tropical resort. In the foreground, a long, winding path of overwater bungalows with white walls and dark blue roofs extends from the bottom left towards the center. The bungalows are built on stilts over clear, turquoise water. To the right of the bungalows, a small, lush green island with a white sandy beach is visible. On the island, there are several buildings, including a large one with a thatched roof and a smaller one with a blue roof. A long pier extends from the island into the water. The background shows more of the turquoise water and a small, distant island. The sky is a deep blue.
