A WORLD OF BLISSFUL INDULGENCE

Ensnconced in the embrace of an enchanting lagoon, Bolifushi Island can be accessed by a private luxury catamaran from Velana International Airport. The scenic journey introduces you to brilliant hues of blue that are set to be the backdrop for your vacation.

Soulful white sandy beaches, calming jade gardens, the charming waters of the lagoon, and an exquisite coral reef await you at this heavenly property. A vibrant ecosystem comprising reef fish and birds are a delight to the senses of those who reside on Bolifushi Island.

THE JOURNEY

EXCLUSIVE LOUNGE SERVICES

The lavish holiday experience begins at Velana International Airport where the resort's representatives welcome and escort guests to THE OZEN COLLECTION lounge, a private and air-conditioned space. This service is provided to guests as they await their luxury catamaran.

TRADITIONAL MALDIVIAN WELCOME

On arrival at Bolifushi, guests are greeted with tradition right from the minute they step onto the island. Rhythmic Boduberu drumming by islanders in traditional mundus (wrap-around sarongs worn by men) set the tone for the holiday. To calm their senses after a long journey, guests are presented with the refreshing water from a Kurumba (coconut) or champagne. Handmade palm leaf necklaces and showers of flower petals add to the charming welcome. A short and caring foot massage completes the reception.

THE RESERVE™ PLAN

The quintessential way to explore the resort, the RESERVE™ Plan at OZEN RESERVE BOLIFUSHI encompasses the pleasures of a timeless and tailored vacation. This one-of-a-kind plan is exclusive to the property and boasts a bevy of privileges that incorporate fine dining, premium beverages, and memorable experiences, all tied together to create the perfect holiday.

From the Maxi Bar in the villa that's replenished daily to unlimited access to the overwater fitness centre, no stone is left unturned to ensure guests are having the time of their life in a stress-free manner.

THE RESERVE™ EXPERIENCE

An experiential vacation to be reckoned with replete with unparalleled indulgences for guests who choose to stay in the in the RESERVE abodes. Slow down, reconnect with nature, and delight in exclusive privileges such as complimentary in-villa dining, laundry services, and bespoke gifts. Heartfelt Maldivian welcome ceremonies, sophisticated culinary trails, and tailored trysts with wellness experts form the cornerstones of this lavish journey. Personalised service with passionate attention-to-detail is at the heart of the RESERVE™ Experience to create exquisite holidays.

YOUR PERSONAL HIYANI

Our butler service is named after the Maldivian Dhivehi word for 'shadow', which means that you will be regaled with the luxurious service of a personal Hiyani or butler 24 hours a day, 7 days a week. From giving you a grand tour of the scenic Bolifushi Island to curating bespoke turndown services, our butlers know how to charm you.

ESCAPE TO A WORLD OF TRANQUIL HEALING AT ELE | NA ELEMENTS OF NATURE SPA AND WELLNESS CENTRE

9:00AM - 9:00PM | Daily

Mother Earth's bounties serve up a treasure trove of therapeutic benefits for our body and mind. The ELE | NA Elements Of Nature spa and wellness centre invites guests to immerse in exquisite beauty and wellness rituals infused with the positive energies of Wood, Fire, Earth, Metal, and Water. As guests step into our spa complex, they begin to traverse the journey of self-discovery.

SIGNATURE ELEMENTS OF NATURE RITUALS

WOOD

A deeply restorative and refreshing body scrub treatment to nurture and nourish the heart, emotions, and skin. This ritual involves a blissful body scrub followed by a relaxing back massage using time-tested Balinese massage techniques.

EARTH

This exquisite and exotic ritual employs traditional Ayurvedic massage techniques with special warm oils that are applied to the body in rhythmic steps, followed by a nourishing scalp and hair treatment with warm coconut oil.

WATER

Restore and soothe the mind, body, and soul with this indulgent ritual that heals your energy field through a massage targeting the 'Marma' points. A light touch technique is used to release energy blocks and balance the lymphatic system, followed by a 'Renew' recovery facial in this therapy offering.

FIRE

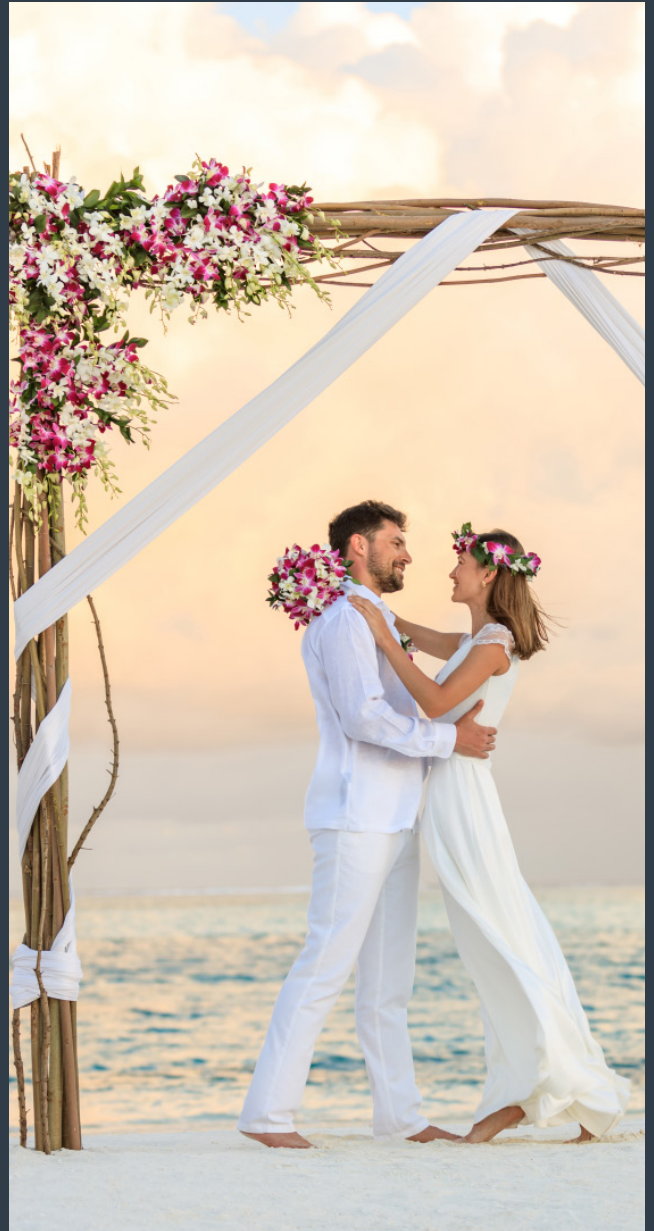

This therapy is effective as a full-body massage that recharges your energy chakras, warms the senses, and revives tired muscles. With every enriching massage stroke, you will feel muscle tension dissolve and stress melt away.

METAL

The ultimate treatment combination of an express glowing radiance facial with the choice of a back massage or foot reflexology therapy.

THE PERFECT WEDDING CEREMONY

When it comes to romantic backdrops, the translucently cerulean waters, soulful white sandy beaches, and quintessentially Maldivian-yet-modern spaces of OZEN RESERVE BOLIFUSHI are hard to lock down anywhere else. Guests may exchange vows in the exquisite overwater Wedding Pavilion or add a local touch to their nuptials while listening to the traditional rhythmic beating of the Boduberu drums as they soak in the paradisiacal views on their special day. OZEN RESERVE BOLIFUSHI offers a collection of locations that're ideal for corporate functions: from a Marquee at the beach to a breath-taking overwater dining venue, you will find a scenic and memorable location for every kind of event here.

CHEF'S GARDEN

The inhouse 'Chef's Garden', a carefully tended, this kitchen garden supplies fresh, zero-mile ingredients to the dining outlets on Bolifushi Island. In the garden basket are tropical fruits, seasonal vegetables, herbs, microgreens, and edible flowers. All of these are grown using sustainable, 100% organic methods.

BEST DIVES BOLIFUSHI

Ensnconced by an abundant house reef teeming with marine life, Bolifushi Island is the ideal base for underwater exploration. The on-site 5-star Best Dives centre offers diving in some of the world's rarest coral reefs along with various levels of diving certifications. You can start your certifications at home through PADI eLearning and begin diving lessons as soon as you land on the island. Explore famous wrecks and oceanic caves, including the Bolifushi Wreck Site, which is bursting with marine life in every hue imaginable.

RESDIENT MARINE BIOLOGIST

The resident marine biologist leads exciting presentations and snorkelling tours for a first-hand experience in marine conservation. One of the key initiatives, run along with Best Dives, is the planting of underwater coral gardens using frames. These artificial structures create a safe environment wherein bleached corals can regrow and flourish.
