AN ENCHANTING RETREAT THAT'S HOME TO ONLY YOU

An idyllic paradise, replete with the fine tunings of indulgence, absolute privacy, charming comforts, and privileged amenities, is waiting to be unravelled at the Royal RESERVE. Bask in THE OZEN COLLECTION's signature Refined Elegance experience at this lavish sanctuary where private decks look out to the Indian Ocean's azure waves as they invite you to unwind on a balmy morning.

This abode houses three separate villas, a living room & dining pavilion and a private pool where resident hosts can regale their friends and family.

A WORLD OF REFINED ELEGANCE

Your tryst with the majestic Royal RESERVE begins with a heartfelt Maldivian welcome: hand-crafted palm leaf necklaces, rhythmic Boduberu drumming, and refreshing water from a Kurumba (fresh coconut) usher you into a world of bliss. The Royal RESERVE is a three-bedroom haven comprising a main 'Sanctuary' and two 'Guest Villas' that are apt for the host family and their friends. This residence, the most majestic at OZEN RESERVE BOLIFUSHI, is the epitome of private indulgence. The 530-square-metre Sanctuary encompasses a living area, indoor and outdoor bathrooms, a private spa, and gym. The two adjacent Guest Villas feature lavish air-conditioned bathrooms and private open-air decks.

LIVING ROOM

A romantic couple stands on the curved prow of a boat, silhouetted against a brilliant sunset. The sun is a glowing orb on the horizon, casting a warm orange and yellow light across the sky and the dark blue sea. The couple is in the lower center of the frame, looking out at the ocean. The sky is filled with soft, wispy clouds that catch the low light of the sun. The overall mood is peaceful and luxurious.

A PRIVILEGED PARADISE FOR THE AFFLUENT TRAVELLER

Majestic pleasures await the host upon check-in at the Royal RESERVE. Peaceful vacations begin at the main Sanctuary which houses its own living area and state-of-the-art entertainment systems. Well-appointed bathroom amenities include an indulgent six-seater jacuzzi with an in-built television, and a deep-soaking Kelly Hoppen™ bathtub.

Further sophisticated privileges include a private pool, sunken lounge by a lily pond that's the perfect spot for a calming breakfast, and a dining pavilion to host soirees and dinners with friends and family. The indulgences are enhanced by the inclusion of a private gym and a private spa treatment room.

MEMORABLE MOMENTS WITH THOSE WHO MATTER

At the Royal RESERVE, heavenly interiors and décor elements help create private bliss. The absolute comforts of this abode provide the perfect backdrop for shared and intimate moments with friends and family. The 240m² King Bed Guest Villa flaunts an indulgently large king-size bed with an ensuite bathroom featuring a deep-soaking tub.

Ideal for friends and teenage children, the 195m² Twin Bed Guest Villa comprises twin beds and high-tech amenities for all age groups. To add to the soulful ambience, the Guest Villa features expansive ocean-facing private decks that are apt spots for peaceful afternoons spent sunbathing and sipping wine from the in-villa maxi bar.
