BEACH & OCEAN HOUSES

MALDIVES

VENTURE FORTH, AND SLIP THE BOUNDS OF TIME.

The clock - it binds us. It ticks relentlessly, marching us forever forward with the unyielding beat.

But what if we were unshackled from its grip? What beauty might we uncover; what freedom might we find?

The Nautilus exists beyond the bounds of time. It is a place where nothing is fixed, and anything is possible. Where you are free to set your own beat. Free to do - and to be - as you please.

THE NAUTILUS

Your journey begins.

Immersed in the raw beauty of Baa Atoll, somewhere in the middle of the Indian Ocean, The Nautilus encompasses 242 x 249 metres of natural wonder.

GETTING TO THE ISLAND

The Nautilus experience begins as soon as you touch down at Velana International Airport. You will be greeted as you disembark your plane, and ushered to a private VIP lounge, where immigration and customs matters are handled on your behalf. A 30-minute journey by chartered seaplane delivers you to our island jetty. Alternatively, you can take a 20-minute domestic flight from Male to Dharavandhoo Airport followed by a 20-minute yacht ride. For private jet travellers landing at Mafaaru Airport, enjoy a leisurely 2½ hour transfer by our luxury yacht, Nautilus One.

THE FREEDOM TO SIMPLY BE

We drift through life distracted. Driven only by what's in front of us, oblivious to the beauty around us. We spend lifetimes in search of meaning, only to wind up lost along the way. And, as time slips by, we lose touch with ourselves - and each other.

The Nautilus offers liberation, and unconditional freedom. A celebration of the individual spirit. Space to share, to meet, to be yourself and shape your own personal journey. And, most of all, to celebrate with the people who matter most, in any way you choose.

Because in the end, it's these simple, elemental pleasures - that ability to simply be - that form the greatest luxury of all.

SPACE TO CALL YOUR OWN

At The Nautilus, only 26 beach and ocean houses line our shores – each a personal sanctum with its own separate living room and private pool. The comforts of home infused with a bohemian whimsy that invites you into the barefoot life.

Your connection to the world outside? A private butler service, dedicated to ensuring that every element of your house is tailored to you. No matter how connected - or disconnected - you wish to be, each and every detail is designed to fulfil all your needs.
