KOKKO CLUB

Opening Hours
🕒 09:00 - 18:00 hrs.

At Fushifaru Maldives, for your little ones we have Kokko Club, a kids playground and a wide range of activities such as:

Little Culinary Cookout:

A culinary class where your little ones learn to make and enjoy a traditional Maldivian meal, Roshi flat bread and tuna.

Nature Strolls:

Sign your kids up for an adventure around the island with our Island Whisperer and discover the various flora and fauna found in the Maldives. Collect fallen flowers, leaves and washed-up shells for your Nature Bracelet (to show off after!), learn some names in Dhivehi and at the end of your walk, name and plant a tree as part of our efforts to make the planet a little greener!

Thaana Writing Class:

Writing in Maldivian is called Thaana; and as little children, we were taught to write Thaana in the sand by our teachers, parents or grandparents. Kids on holiday can have a great experience learning about a new culture and language; this is the perfect class to sign them up for.

Boduberu Beats:

For kids who are musically inclined, Fushifaru's Boduberu Beats session gives them a chance to try their hands at playing Boduberu drum, made traditionally from the trunk of the coconut tree

Palm Tree Weaving & Crafts:

why not get your kids to learn how to be creative with Mother Nature and weave coconut leaves into baskets, decor and more!

Baby sitting services are available upon request.

EXCURSIONS

For those seeking adventures, we provide a choice of exciting excursions which will showcase the very best of what the Maldives has to offer including fishing, island-hopping, dolphin cruises experiences.

● Manta Quest

Let us take you on an exciting snorkeling trip in search of manta rays, found both on coral reefs and in the open ocean. Manta movements vary according to the season, tides and other factors but there is the best chance of spotting them during southwest monsoon between May and November.

● Catamaran Excursions

Set sail on a catamaran and explore the coral reefs teeming with tropical fish on a snorkeling trip, sail into the sunset or snorkel by a sandbank. Step aboard your catamaran and let your skipper take you on a memorable cruise perfect for sunbathing or just enjoying the scenic views.

● Local Island Experience

Experience the 'real' Maldives by visiting one of the local neighbouring islands. On a local island excursion you will discover the laid-back pace of an island life, where Maldivians live a simple and often traditional life, a world away from resort life.

● Sunset Dolphin Cruise

Before the sun sets, set out on an adventure cruise to look for dolphins. Since they are wild marine creatures out in the vast ocean, we cannot guarantee their sightings. However, once you find them you will be captivated by their playful manner. Watch them swim side by side and sometimes jump and spin out of the water.

● Coral Restoration Tour

Join our in-house project and learn about the importance of coral reefs, how to identify the most important species and replant some colonies to maintain the underwater balance around our island.

● Turtle Quest

During this most popular excursion you have a chance to meet the favourite of many, the green sea turtles and Hawksbill turtles. Our team will take you to the special spot where 80% of the time we are able to spot turtles and also reef sharks, sting rays, eagle rays and, of course, pristine reef.

● Private Snorkeling Tour

Do you want to see more of the underwater life in the comfort and privacy of your own boat? Then you have found the right place! We are able to offer a wide range of options, starting from the boat (traditional Maldivian dhoni or luxury speedboat), refreshments and vivid reef spots, as well as a private guide who will plan the trip according to your wishes.

● Sunset Fishing

Just before the sun starts to turn the sky golden, head out to the sea on a uniquely Maldivian fishing adventure, where our fishing expert will show you how to use a line without a rod to catch fish and all about the art of line fishing that has been practicing for generations. Your catch can be professionally prepared by our chefs in the restaurant for a supplement.

● Night Snorkeling

Be a part of this magical experience that provides you with a chance to observe different species and behaviours that only occur at night time. If you are lucky, you will see bioluminescent organisms and corals that glow in the dark.

UNDERWATER PLAYGROUND

The underwater playground that is right out in front of the main pool is a fun underwater park to snorkel around and explore. You will find an underwater swing, bicycle and different objects submerged here with vibrant corals growing on it. You will find a variety of colorful fish and marine life around it. This is the perfect place to take some underwater pictures or videos for social media channels like instagram; when you do, please don't forget to Tag us #fushifarumaldives.

Faru Project

Coral reefs are vital for our survival! Our in-house coral replanting program is located at the underwater playground. During your stay, you can attend different activities to contribute to this important project.

Everyone likes to scuba dive or snorkel in warm, clear water on a vibrant coral reef, yet many people know little about what they're seeing or the importance of reef ecosystems. This Coral Reef Conservation project helps you appreciate the complexity of these habitats and teaches you how you can help conserve these vital ecosystems.

OUR GREEN INITIATIVES

We do our part to take care of the environment and are doing what we can to eliminate single-use plastics at Fushifaru. It is our little way of helping the environment and saving our planet.

‘Plastic Aa Nulaa’ Campaign

The objective of this campaign is to increase awareness on the importance on how to help restore the deteriorating marine life through eco-friendly alternatives such as eliminating the single-use plastic to each household.

Coral Propagation Project

In collaboration with Best Dives, Fushifaru has initiated and developed a coral propagation project to assist the rejuvenation of the coral reefs around the island, which is vital to sustaining biodiversity.

Partnership with Kind Traveller

Fushifaru is a proud partner of Kind Traveller and has been contributing to ‘The Olive Ridley Project’, whose mission is to protect sea turtles and their habitats through rescue and rehabilitation, scientific research, education, and outreach.

Plant Your Own Tree Program

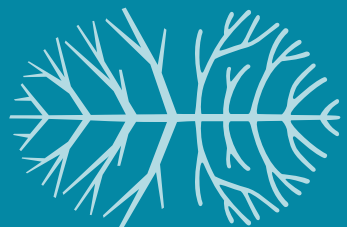

At Fushifaru, we make it easy and fun for guests to help mother nature by planting trees on the island. In addition, food waste is composted through the composting machine and then used as manure for the trees within the property.

Green Globe Certification

The resort has been awarded the Green Globe certificate, an international recognition for the travel and tourism industry for their achievement on the preservation and sustainable operations.

ABOUT MALDIVES

Maldives has around 1,192 islands, of which only around 200 islands are inhabited, more than 100 islands are developed as tourist resort and the remaining are uninhabited. As a country known as one of the most dispersed country, it would not be possible to see the whole country.

Location

Republic of the Maldives is a nation located in the Indian Ocean to the southwest of Sri Lanka.

People

Maldivians are esteemed around the World for their hospitality towards their guests. Currently the population of the Maldives is around 341,256. Maldivians share a similar cultural heritage, history, ancestry, homeland, language and religion . These common factors are the reason for the unity and harmony prevailing in the alluring islands.

Language

Maldivian, also known by its endonym Dhivehi or Divehi, is an Indo-Aryan language closely related to the Sinhalese language of Sri Lanka, spoken in the South Asian island country of Maldives and on Minicoy Island, Lakshadweep. The Maldivian language has notable dialects. English is the commonly spoken language in the Maldives in all the fields like education, commerce and especially tourism. It is even said to be the unofficial second language of Maldives.

Culture

A visit to the Maldives not only guarantees the best vacation of your lifetime, but it also gives you exposure to a great cultural experience. The customs of the Maldivians have been greatly influenced by the Indians, Sri Lankans, Arabs and North Africans who visited the Maldives while traversing through the trading routes of the central Indian Ocean. The Maldivian culture is rich and vibrant due to the infusion of various other cultural elements.

Currency

The currency in the Maldives is the Maldivian Rufiyaa (MVR) and 1 US Dollar = 15.42 Maldivian Rufiyaa. US dollars are widely accepted in the Maldives. Resorts accept both US Dollar, EUROS and British Pound (GBP) as payment. Credit Cards such as AMEX, VISA, MASTER CARD and UNION PAY CARD (China) are widely accepted too. Kindly note that old and worn out notes will not be accepted as payment per Maldivian Bank Rules.
