

An aerial photograph of the Manafaru Maldives resort. The image shows a large, curved structure of overwater bungalows with thatched roofs, connected by a long wooden walkway. The water is a vibrant turquoise, and a small, lush green island is visible in the distance. In the foreground, there is a sandy beach with a thatched-roof building, palm trees, and a rectangular swimming pool.

A 'DINE AROUND' ALL-INCLUSIVE

*Experience*

A wide-angle photograph of a tropical beach at sunset. In the foreground, several wooden tables and chairs are arranged on the white sand. Some tables are set with white linens, glassware, and small lanterns. A few people are seated at the tables, enjoying the view. In the background, the ocean stretches to the horizon under a sky with soft, colorful clouds. Several palm trees are visible on the left side of the frame, and some low-lying green shrubs are scattered across the beach.

A CULINARY

## *Journey*

The resort offers an all-inclusive culinary journey within seven unique venues.
