

WELCOME TO SERVING STRONG

I'm Scott Couchenour, owner of Serving Strong and I'm genuinely glad you're here.

You know, time is a mysterious journey; it's constant yet fleeting, familiar yet surprising.

Like many, as I approached my 50s, I found myself at a crossroads — a point where the path behind me was clear, but the road ahead seemed less defined.

You might be feeling something similar. Perhaps you sense there's a change on the horizon, an evolution of purpose and identity beyond the work routine you've cherished for decades.

Recognizing a beckoning shift but unsure of the path forward? It's a space many find themselves in, and it's perfectly natural.

But here's the good news: You don't have to navigate this alone.

Over the years, I've been devoted to crafting a roadmap for this exact transition, illuminating the way for others like you. I specialize in helping individuals create a strategic plan for their 4th quarter of life. It's more than just a plan; it's about empowering you with clarity, certainty, and the confidence to embrace the future.

Imagine waking up each day with a clear direction, knowing exactly where you're headed, free of the weight of uncertainty, and reducing those 'what if' regrets.

That's the transformative journey I invite you to embark on. Together, we'll explore, discover, and design a roadmap tailored just for you, ensuring that your 4th quarter is not just a winding down phase but a renaissance of new beginnings.

Remember, the best way to predict the future is to create it. So, let's co-create a future filled with purpose, passion, and promise. Reach out, and let's start a conversation about your brilliant next chapter.

Thank you for being here, and I look forward to journeying with you.
