July 27, 2025 is the fifth World Day for Grandparents and the Elderly.

"In the family, faith is handed on together with life, generation after generation."

-Pope Leo XIV

From biblical times, the Jubilee has been understood as a time of liberation. Looking at the elderly in the spirit of this Jubilee, we called to help them experience liberation, especially from loneliness and abandonment. This year is a fitting time to do so. Our societies, everywhere in the world, are growing all too accustomed to letting this significant and enriching part of their life be marginalized and forgotten. May we always praise God for his goodness, cultivate unity with our loved ones, open our hearts to those who are far away and, in particular, to all those in need. In this way, we will be signs of hope, whatever our age.

Excerpt: From the Vatican, 26 June 2025, Pope Leo XIV

- Make plans to visit grandparents or the elderly in your community on or around July 27th.
- Bring along some pastry or flowers, and plan talking points to enjoy your visit.
- Share photos of past events. Take new photos to create lasting memories!

Missionary Cooperative Appeal—August 9 & 10, 2025

Each year, we host a missionary group assigned by the archdiocese's Mission Office. This year, the Diocese of Navrongo-Bolgatanga in Ghana will be represented by Fr. Rudy Alumam, a priest of this diocese in Ghana. The diocese, located in northern Ghana, has a population of about 2 million, with a Catholic population of 365,112. The early missionaries of northern Ghana embarked on preaching the Gospel and worked endlessly to form missionary disciples and promote local vocations as catechists, priests, brothers and sisters. Thanks to the formation mission of the missionaries and the grace of God, our missionaries continue to thrive.

Through time, our ailing priests and missionaries who have dedicated their lives to the Gospel now need a residence in a town where healthcare can be provided. They have no pension benefit to support their healthcare and upkeep.

This year's appeal for the diocese of Navrongo-Bolgatanga will go towards building a home for retired missionaries and priests in a city near a healthcare facility giving each person a quality of life deserving of their calling. Specially marked envelopes will be in the pews. Please prayerfully considering donating to this appeal.

Immediate Need!

Please help feed the needy in our local community! La Casa De La Raza is accepting food seven days a week right now. Our local migrant community is terrified to leave their homes. Let's feed them. It's the least we can do. They feed us every day.

The next time you shop, please buy an extra bag of groceries and
drop it off at 601 E. Montecito St., the Casa building.

Feeding people is moral and not political. Children, mothers, the elderly and hard-working families are all at risk right now.

805-695-1229 is the phone number for la Casa de la Raza if you would like to call!

They are open 7 AM to 9 PM daily.

Safeguard The Children

Did you know?

Authority figures and boundary responsibilities

When an adult uses their authority to control or manipulate a situation, this puts children and vulnerable adults at risk for abuse. Manipulation can often occur through grooming behaviors, which can lead to boundary violations and ultimately abuse. It is always the responsibility of the adult to maintain appropriate, healthy boundaries with children in their care. For guidelines on how to interact with minors at our parishes, schools and ministries please visit <https://lacatholics.org/policies-and-procedures/>, and for more tips read the VIRTUS® article "Ministerial Boundaries, Power, and Authority" at lacatholics.org/did-you-know/.
