<u>ELLIOTT'S PHONED HOME (Pale Ale)</u>	5.5% ABV
Elliott's is one of the original Cedar Creek beers on tap when we opened eleven years ago. A refreshing American Pale Ale, this batch uses Apollo and Bravo hops, producing a tropical, citrus forward beer with big notes of orange and grapefruit and a smooth finish.	
<u>GOSE Cherry Limeade (Sour)</u>	6.2% ABV
A salty, sour, cherry-lime summer treat.	
<u>DANKOSAURUS (American IPA)</u>	6.8% ABV
This dry India pale ale is full of bold pine citrus, peach, and tangerine hop flavors balanced by a velvety malt backbone of 2-row and German Munich and then dry-hopped with Eureka.	
<u>DANK REX (Hazy Imperial IPA)</u>	8.5 ABV
This East Texas nod to West Coast IPAs is even fuller than our Dankosaurus. The added grain flavors of oat, red wheat, and honey malt intensify the citrus flavors and the malt balance, followed by additional dry-hopping with Mosaic to impart a fruity, dank aroma.
