VOL: XXVI NO. I June 2015

Brotherhood - is not a one year commitment, it is a life-time commitment.... We took an oath to remain brothers. An oath is something that cannot be taken back, that's what makes it an oath. We may have outgrown pounding down beers but you can never outgrow your commitment and the bonds of brotherhood.

Brothers:

This newsletter will be different from the usual format that you have received in the past. Usually I'm forwarding news and information to you but this time I need **information from you**.

The Las Vegas reunion was a resounding success with more folks attending this year than our first trip there in 2009. It was great to see some Brothers show up for the first time as well as those who are there every year.

The Brothers tasked me with planning another reunion.

Many times and locations were discussed by those in Vegas but in the end it was decided that I should get information from the entire Brotherhood in the hopes that more of you will attend.

We settled on a few options and I would like you to respond and tell me where and in what season you would attend the next reunion.

Cape Cod	Framingham, MA (site of our first reunion in 1987)
Las Vegas	New Orleans
North Carolina	San Antonio, TX
UMass	Other????

Please respond by 5:00 Tuesday 6/23 so I can tally the selections.

Please don't forget to indicate what season you prefer.

Thanks,

Stan kitco1@comcast.net
