

Leave the Campus, See the Work

Monday, March 16, 2026 | 10 AM – 3 PM

Join the Trotter Team for a Civil and Environmental Engineering Shadow Day

Built for students who want to see how infrastructure projects get done

ON THE AGENDA - MONDAY, MARCH 16, 2026 | 10 AM - 3 PM

- Insights from senior leadership & experienced project professionals
- Real-world perspectives from new engineers
- Lunch provided
- TAI project site tours
- Overview of TAI internship and entry-level career

TAKE AWAYS

- See how classroom learning translates to real-world projects
- Understand cross-disciplinary engineering collaboration
- Gain clarity on career paths and early-career opportunities

Students are responsible for travel to the St. Charles office.

40W201 Wasco Road, Suite D
St. Charles, IL 60175

TAI will provide transportation during the day to project sites.
