

Payment Policy

As a funeral service leader, we practice transparency in everything we do. Financial discussions can be difficult at times and we understand that. We will be forthright and honest in communicating our payment policy and we will try to work with you to accomplish your goals.

We offer the following four payment options:

Option 1: Cash or Check

Option 2: Credit Card

Option 3: Insurance Assignment - through a 3rd Party Assignment Company

Payment with assignment of a valid, verified insurance policy. We do not accept policies that cannot be verified, insurance policies under 2 years old which are contestable, or any work-related insurance that cannot be assigned. Their processing fee will be added to the assignment.

Option 4: Prepaid Funeral Plans

On a case-by-case basis, we may honor a prearranged funeral plan written at another funeral home.

Estates - Due to the uncertain time frame with estates, we will not invoice estates. If an estate is established, you will be responsible for the payment of the funeral expenses through one of the above payment options. You may then petition the estate for reimbursement for the payment of funeral expenses.
