Shed Kits

Shed Kits are ideal for yard locations that are inaccessible by truck and trailer.

From a shed kit to a finished shed in a few hours!

Kits Available
10' x 14' Kit Shown
Package Size 8'2" x 14'

Preparing the Site

A firm, level area is needed on which to place your building. Concrete or gravel pad is preferred or a solid wood base such as railroad ties or pressure treated lumber.

Quality Construction
