LPi BECAUSE VIBRANT CHURCHES MATTER

ONE-TIME SETUP, AUTOMATIC WEEKLY BULLETIN UPDATE!

Your website is your parish's digital presence. Installing the ParishesOnline.com Bulletin Widget allows your website to instantly update your weekly bulletin immediately after you submit for printing. By making your bulletin available on your website, you are helping your online audience find your up-to-date information, right where they expect it.

ADD VALUE FOR YOUR FLOCK ...

YOUR FAITHFUL STAFF

Setting up the bulletin widget is a one-time installation that requires no additional oversight or monitoring, with weekly updates made automatically whenever your bulletin is submitted for print.

YOUR LOCAL ADVERTISERS

Strengthen the partnership with your advertisers by posting your bulletin online. Local businesses contribute to your parish via the print bulletin, return the favor by granting them a larger audience — print AND digital.

YOUR CHURCH COMMUNITY

More and more people are visiting websites from their phones (especially out-of-town guests or new families in the neighborhood looking for a Mass on Sunday morning). Help them access your information easily.

... WITH NO EXTRA EFFORT!
