A silhouette of a landscape at sunset. The sky is a warm, orange glow. In the foreground, there are dark silhouettes of trees and bushes. A single, prominent tree with a wide, flat canopy stands in the middle ground, silhouetted against the bright sky.

*Five days. A small group of women.  
The oldest island in East Africa.  
And the ocean, always the ocean.  
You don't need to become someone else.  
You simply return to what has always been there.
