

Advanced Spray Pave is a leader in Newcastle and Surrounding Areas.

Add value and enhance the appeal of your home / business by transforming and rejuvenating your existing concrete to a stylish and impressive surface.

One of the easiest ways to improve the appearance of an existing concrete surface or to put a professional finishing touch to a new one is the application of decorative stencil coating.

Patterns come in all shapes and sizes, styles and finishes and can be customised to suit your personal style with a huge range of colours, edge finishes and even personal artistic designs such as compasses and company logos.

Create striking concrete resurfacing that will last for years to come:

- Driveways
- Paths
- Pool Surrounds
- Patios, Stairs & Ramps
- Entrances
- Courtyards
- Entertaining Areas
- Garage Floors & Internal areas.
- Car Parks etc

Advanced Spray Pave has over 20 years of experience in residential, commercial & industrial projects with superior workmanship and attention to detail.

It not only looks fantastic, it's hard wearing and durable too. You can also apply texture finishes that may lesson the risk of skidding or slipping in wet areas around the business, home walkways and pool surrounds.
