Church Funeral Services & Crematory

is Presenting a Life Saving Initiative to the Area.

Vital ICE provides a platform on which to list your (and your dependents, if applicable) vital medical information, such as blood type, allergies, medications, medical history, emergency contacts, and much more. This information will then be readily available to EMS and other First Responders when they need it most.

Please Download the App and Enter the Code to Start Using Today.

4174 for Baton Rouge

9683 for Saint Amant

4143 for Walker

In an emergency, First Responders can use the Vital ICE App to retrieve the user provided information that can taken on the ambulance to the hospital, or emailed directly to the hospital from the app, where ER staff can further access this critical information. Included is also an Emergency Alert System, mediation reminder feature, safety and First Aid information, and the ability to add dependent information. For more information, please reach out to the Funeral Home staff.
