Tuesday weekly trash pickups are for household garbage only and must be bagged and in a hinged lid trash can.

Example of suggested can for possible future pickup upgrades.

The POA does not pick up vegetative debris.

Cardboard boxes must be broken down, strapped, tied, or taped together and will be picked up once a month on the dates indicated above.

will not pick up.

Will pick up

Cardboard boxes and vegetative debris may be dropped off at the vegetation debris area each Wednesday & Saturday of the month from 8:00- 12:00.

There are only two months of the year when the POA will provide heavy haul pickup, as indicated on the calendar above, after the community-wide spring and fall garage sales. The remaining months of the year, the POA will offer heavy haul drop off as indicated on the calendar above.

However, bulky/heavy items place an undue expense on this service. To offset the cost of this service to the community, property owners shall be charged individually per item for drop off or pickup of bulky/heavy items.

- Bulky/heavy items include any appliance (refrigerator of any size, microwave oven, washer, dryer, range, under counter ice machine, trash compactor, water heater, 50" or larger TV, and dishwasher) outdoor grill, fire pit, mattress, box spring, recliner, sofa, love seat, side chair, table, dresser, night stand, head board, lawn mower and large outdoor furniture/patio sets.
- To drop off one of these items at the Maintenance facility, property owners will incur a \$20 per item charge. The charge shall be paid at the time of the drop off. All payments will be by credit or debit card as no checks or cash shall be accepted.
- If the property owner is unable to make the drop off themselves, a home pick up may be scheduled through the POA office for a fee of \$40 for the first item and \$20 per item for up to two other items for a maximum of three items per home pick up. The fee will be payable at the time of scheduling. All home pick-up items must be brought to the street for pick-up.
- The two-yearly or semi-annual heavy haul pickups throughout the community following Garage Sale weekend shall continue. However, bulky/heavy items must still be scheduled through the POA Office, and the charge shall be reduced to \$20 per bulky/heavy item during these two community pickup times only.

Contractor Debris, tires, paint, batteries, and any lawn, pool, or other chemicals are not allowed in household or heavy-haul trash.
