We hope that this has transformed your life in a special way. God will surely honor the significant effort that you have made.</p> <p>Rather than rest upon your laurels, we strongly encourage you to begin reading the Bible again, this time moving more slowly and deliberately, but ensuring that each day you read a portion of the Scriptures. You may wish to read a different translation this time so that you read passages, which are now more familiar to you, and see slight differences that will reveal deeper meanings and more truths to you. Once again, congratulations on achieving a major spiritual goal in your life. You can build greatly on the important spiritual work that you have done.</p>
