

Holy Week @ Avenue

One of the most exciting parts of the church calendar is Holy Week! From the shouts of “Hosanna” on Palm Sunday to the screams of “Crucify Him” on Good Friday; from the hopelessness of Saturday to the hope of resurrection Sunday; this week is the pinnacle of our Christian Faith. As the Apostle Paul writes to the church in Corinth **“And if Christ has not been raised, our preaching is useless and so is your faith”** (1 Cor. 15:14).

This year we are creating three unique experiences that walk through the final week of Jesus’ life leading up to His resurrection. Each gathering highlights a different moment in the story, helping us to slow down, reflect deeply, and celebrate the hope we have because of Jesus. This is the perfect week to invite someone who may not normally come to church. Each experience is designed to help people encounter the story of Jesus in a meaningful and accessible way. All of the information can be found on our website: www.avenuechristian.com/easter Here’s a quick overview of each experience:

The Last Supper Experience: April 1st @ 6:30pm or April 2nd @ 7pm

Easter Sunday Resurrection Celebration: April 5th @ 10am

Financial Update

We received another \$7,000 to the For Our Family Fund in February, putting our four month total at \$135,000. **We've had 75 families give to the For Our Family Fund since it began.** The \$50,000 principal payment was made and the HVAC unit was installed in the Kids Area. The new projectors will be installed during Holy Week and the new sound board and audio system will be installed and implemented in mid-April. Like we shared last month, we continue to challenge and pray for the **200+ families who give \$5 per week to double their gift to \$10 per week.** Doing so would help us to reach our budget and put us in a position for consistent ministry impact for years and years to come. With four months left in our ministry year budget, our expenses exceed our income by 6%. As always, if you have any questions about our financial reporting, please contact any of the Elders!
