Porcelain™

by LoveUrns®

We are pleased to introduce
our new line of urns ~ Forever Porcelain™.

We've spent years developing our line of
high-quality porcelain urns,
and we're excited to offer them
as part of our product lineup.

Forever Porcelain™ urns are made
from a special type of clay
that is fired at high temperatures,
which makes them
sturdy and durable.

The firing process also gives the
urns their unique look.

The urns come in a variety of
beautiful colors and shapes,
so you can find the
perfect one for your loved one.

They can be kept in the patio or garden,
or indoors as you prefer.

All our Forever Porcelain™ products
have a solid brass screw closure on the bottom.

Who We Are

LoveUrns® is a family-owned global manufacturer and supplier specializing in high-quality urns, cremation jewelry, and memorialization products. As a third-generation business, we began our journey in the early 1960s as Pioneer Arts, a metal manufacturing company based in India.

By 2011, we had established a strong presence in the USA with nationwide warehouse and distribution capabilities. In 2020, we expanded our operations to the Netherlands, significantly enhancing our ability to serve the European and UK markets with dedicated warehousing and distribution services.

Our Reach

Today, LoveUrns® is recognized as one of the largest urn manufacturers and distributors, employing over 600 skilled professionals across India, Thailand, the USA, and the Netherlands. We are proud to distribute our products to 45 countries, supported by dedicated customer service teams in both the USA and the Netherlands.

Our Commitment

We take pride in offering a personal touch, ensuring our products are both affordable and handcrafted with love. Our customer service teams work closely with funeral professionals to deliver exceptional support for families during their time of need.
