Honoring their story with every

Detail

When honoring the life of a loved one, choosing a meaningful final resting place or keepsake can be an important step in the healing process. Our collection of urns and keepsakes have been thoughtfully curated to offer a wide range of beautiful and dignified options to commemorate your loved one's unique journey.

We offer a variety of urn styles crafted to suit individual preferences and needs. For those who appreciate timeless elegance, our selection includes hardwood urns, available in a variety of rich finishes. For a more contemporary look, our metal urns combine durability and sleek design, while marble urns provide a classic and enduring tribute. If you're seeking environmentally friendly choices, there are eco-friendly and biodegradable urns, designed to honor your loved one while caring for the planet.

In addition to traditional urns, distinctive options such as chest urns and clock urns, offer functionality and sentimentality in a meaningful way.

To truly create a meaningful remembrance, many urns can be personalized with the loved ones name, dates and even cherished photographs.

For those wishing to carry a tangible connection to their loved one, personalized fingerprint keepsake jewelry captures the unique imprint of your loved one's touch in a beautiful keepsake you can wear daily and treasure forever.

Every piece featured has been chosen with care to provide a fitting tribute, blending quality, artistry, and reverence. We are here to guide you in selecting the option that resonates most with your loved one's wishes, offering comfort during this difficult time.

Artist Series

Talented artists have a way of capturing the imagination and emotions of their audience, creating works that are both timeless and highly sought after. Thomas Kinkade, known as the “Painter of Light,” gained immense popularity for his ability to evoke warmth and nostalgia through his luminous landscapes and cozy, idyllic scenes, making his pieces treasured collectibles. Similarly, Bonnie Mohr has earned admiration for her unique style, blending heartfelt inspiration with rural themes, often depicting the beauty of farm life and heartfelt messages that resonate deeply with her audience. In contrast, EttaVee stands out with her vibrant, colorful art style, featuring bold patterns and joyful compositions that infuse energy and positivity into any space. Each artist brings their own distinct vision, leaving a lasting impact on the art world and connecting with admirers in meaningful ways. Your loved one’s photo can be paired with beautiful, meaningful artwork by these artists as well as other popular artists of our time for a truly remarkable remembrance.

GENUINE Marble Urns

Genuine marble is a natural stone that's quarried from the Earth and is known for its beauty, durability, weight, and uniqueness. Therefore, no two urns are identical in terms of color, veining, and pattern.

WATER BIODEGRADABLE Eco-Friendly Urns

Federal regulations require that water burial occurs no closer than 3 nautical miles from the shore.
Designed to float briefly before sinking. Once the urn sinks, it will biodegrade over time.
