PAYMENT

Unless, otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash, cheque, debit, most major credit cards, or assignment of insurance benefits.

Cash discount for prompt payment – If you pay the balance of your account in full within 7 days of this contract date, we will allow a cash discount of 5% on a casket purchase with a minimum of \$ 1,200.00 or greater and any merchandise associated with this purchase designated in the Funeral Service Contract. The exact amount of discount to be offered will be clearly shown with effective date on our contract and on the statement of account which will be issued on the day of funeral/memorial service or upon final delivery of all contracted services and supplies. Use of Visa or Mastercard will be accepted for payment only up to and including applicable discount date i.e.: within 7 days of signing contract.

If the balance of your account is not paid within 7 days of the date of contract, but you do pay within 30 days of the Funeral Service Contract, there will be no cash discount, but the interest charge which is accruing on your account will not be applied or collected. Beyond the allotted time (30 days from contract date), interest will be charged at a rate of 1% per month, calculated daily and compounded monthly which is equivalent to 12% per annum (APR).

Payment on your behalf to other parties – If you ask us to distribute your payments to such other parties as the cemetery, crematorium, newspaper, florist, clergy, etc., we will require that the funds to cover these payments be deposited with us before we begin their distribution. This procedure will be followed regardless of the particular payment option you select.

Down payment – If you are not going to pay your account in full immediately (within 30 days of the date on this contract), we appreciate a down payment equal to twenty-five (25%) percent of the contract price by the date of the funeral or other services as designated in the Funeral Service Contract.

FINANCING

The Mundell Funeral Home Limited is not in a position to finance accounts. Therefore, any unpaid balance will be subject to interest charges (see above) and as per conditions contained in the Funeral Service Contract.

PRE-PAID FUNDING

For your convenience, we offer two (2) funding options when pre-paying services, merchandise and/or supplies. When prepaying, you pay for the services and supplies and applicable taxes today and that money will be used to pay for the eventual services, merchandise and/or supplies and applicable taxes when they are delivered at the time of death. Increases to taxes or fees imposed by the federal, provincial or municipal governments now or in the future may be owing in addition to the amount set out in the contract.

Trusting: You may pay the funds directly to our firm and we will place it in trust for you, and where it will accrue interest until the contract is fulfilled (when the services, merchandise and supplies are delivered at time of death) or, should the contract be cancelled for any reason.

Insurance: You may purchase an insurance product specifically designed for pre-paying of final expenses. These pre-paid funds accrue interest until the proceeds of the insurance policy are used to pay for the services, merchandise and/or supplies at the time they are delivered or should the contract be cancelled for any reason.

We will be happy to provide you with additional information upon request.
